Commissioning Programs

Naval Postgraduate Dental School (NPDS)

- Only DOD centralized site for post graduate dental education
- Accredited by Commission on Dental Accreditation (CODA)
- Qualifies dental officers to practice combat & peacetime dentistry, teach & mentor general dentists & conduct dental research
- Offers on-site and correspondence Continuing Dental Education (CDE) and residencies
  - 16 CDE courses attended by Federal and Foreign Military personnel
- Training and residency programs:
  - Two-year residencies in comprehensive dentistry, endodontics
  - Three-year residencies in oral and maxillofacial pathology, orofacial pain, periodontics, and prosthodontics

Administration Directorate

- Responsible for command functions that include congressional correspondence, and the coordination of assignments from higher headquarters.
- Comprised of Administration, Manpower Management, Human Resources, Command Safety, Information Technology, Staff Education and Training (SEAT), Knowledge Management, Materiel Management, and Operations Management (OPMAN) Departments.
- Provides the information flow between and within Navy Medicine learning organizations.

Resources Directorate

Budget Overview

- The budget is divided into two appropriations, Reserve Personnel, Navy (RP,N) and Operation & Maintenance, Defense Health Program (O&M,DHP)

Budget Flow

- RP,N funds pass from DoD via Assistant Secretary of the Navy, through the Office of Budget to the Service Medical Departments and provides: Stipend, Grant, Bonus, Travel, Pay and Allowances for Health Professions Scholarship Program (HPSP), Financial Assistance Program (FAP) and Nurse Candidate Program (NCP), collectively known as the Armed Forces Health Professions Scholarship Program (AFHPSP)

Resources Directorate

Budget Flow

- O&M, DHP funds pass from DoD via Assistant Secretary of Defense for Health Affairs to the Service Medical Departments and provides tuition, fees, books, and other reimbursable expenses for HPSP, FAP , and Health Provider Loan Repayment Programs.

- The balance of the funds is divided between NMPDC Directorates and the Navy Medicine Training Center. These funds can be broadly broken out as:
  - Education training providing full time out service training.
  - Travel for certifying exam and continuing medical education.
  - Administrative and base operations costs.

Academic Programs Directorate

Delivers Leadership and Professional Development Courses

:

- Advanced Medical Department Officer Course (AMDOC)
- Executive Medical Department Enlisted Course (EMDEC)
- Plans, Operations and Medical Intelligence Course (POMI)
- Patient Administration Course (PAD)
- Financial and Material Management Training Course (FMMTC)
- Joint Medical Planners Course (JMPC)

- Reserve Component TCCC exportable course
- Sexual Assault and Forensic Examination Course
- Sugar, Temperature, Airway, Blood Pressure, Lab, Emotional Support Course

Academic Programs Directorate

BSO-18 Staff Education and Training (SEAT) Governance

- Communicates all non-GME-based training requirements to Facility Staff Education and Training Work centers.
- Gathers current staff development needs, anticipates future requirements and notifies higher authority.
- Strengthens the Navy Medicine SEAT community of practice through collaboration; contributing to the establishment of training benchmarks, standardization of practice and, ultimately, optimized delivery of training to the end user.

Officer Programs Directorate

Graduate Medical Education:

- Manages in-service Graduate Medical Education programs for the Navy
  - GME programs at the 3 Tertiary Care Facilities
  - 5 Family Medicine Hospitals
- Coordinates the Annual Joint Service GME Selection Board
- Manages the Full-time Out-Service (FTOS)/Other Federal Institution Programs
- Consults on the management of GME trainees in the Navy Active Duty Delay for Specialists (NADDS) & Financial Assistance Program (FAP)
- Provider of Continuing Medical Education (CME) programs for Navy Medicine
- Funds Navy Medicine physicians to take Specialty Board Exams and obtain CME credits

Officer Programs Directorate

Graduate Programs:

- All medical department officer corps (MC, DC, NC, MSC)
- Enlisted to officer programs:
  In-Service Procurement Program (IPP) and
  Medical Enlisted Commissioning Program (MECP)
- Board certification funding
- Non-budget submitting office 18 continuing education (Non BSO 18 CE) funding
- Duty Under Instruction (DUINS) boards select officers for education and training, provides recruitment and retention incentives, and recognizes advanced degrees and certification programs. Participants receive full pay and allowances of their grade while under instruction.
- Approves Continuing Professional Education programs for Navy Medicine:
  - Continuing Medical Education (CME)
  - Continuing Dental Education (CDE)

NMPDC Command Ombudsman

Mrs. Maryann Eagan

"I would like to take this opportunity to introduce myself as your OMBUDSMAN. It is a great honor to have been selected for this position and I look forward to assisting you and your family with any concerns that may arise.
